Dry Food

Complete feed for adult dogs with normal energy requirements

Our Eggersmann Carnebello Dry Food Beef & Rice is a tasty complete food that provides your dog with plenty of energy for an active life thanks to its high energy content. The hard-baked croquettes contain local beef, rice and healthy whole grains. Rice is a carbohydrate source that is particularly kind to the stomach and intestines and keeps your dog full for a long time. The beef it contains provides valuable animal protein and the whole grains naturally contain important B vitamins and minerals, so that your dog is supplied with all the necessary nutrients. To support intestinal activity and a balanced intestinal flora, the Carnebello Dry Food Beef & Rice also contains apple pomace rich in pectin, a natural fiber with prebiotic properties. Our tasty recipe is refined with valuable herbs, so with our dry food you offer your dog a meal that is not only delicious but also healthy. Our Eggersmann Carnebello Dry Food Beef & Rice is suitable for all adult, normally active dogs.
