

Liverwurst

Dog Snacks

Complementary feed for dogs

Feeding recommendation:

Our Carnebello liverwurst is particularly tasty and suitable for all dogs as an easy-to-dose, clean treat. Our liverwurst for dogs is free from preservatives and processed without added sugar or grain.

The dogs can lick the liverwurst straight from the tube, which makes our Carnebello liverwurst an ideal snack, for example to keep the dog in a certain position during training or to provide a calming distraction at the vet. Even pills with a bad taste can be easily hidden in the tasty paste. Furthermore, Carnebello Liverwurst is the ideal companion for filling chew toys or when travelling.

Recommended feeding:

As a rewarding supplement to daily dog food, we recommend the following dosage:

dog	quantity of liverwurst in cm
small dogs	bis zu 15 cm
medium-sized dogs	bis zu 20 cm
large dogs	bis zu 30cm

Once opened, the tube should be refrigerated and used within 7 days.

It is best to warm to room temperature before feeding so that the paste can be easily squeezed out of the tube.
